who are we?

The Wealth Shop is a one stop shop for all your personal and family financial needs. We are a team of independent financial and tax planners helping you to make the most of your money.

what do we do?

We do a full review of every area of your taxes and finances, listen to your needs and give you expert advice. We search the market for the best products and prices to match your requirements, and work with you closely throughout your financial plan.

what our happy clients say...

"I found The Wealth Shop to be excellent advisers. Every request was dealt with promptly and professionally and no task was too minor to address."

Noel Martyn
Company Director

"I found the level of professionalism and attention to detail exceptional. Along with the personal touch it made my decision to use The Wealth Shop a very easy one."

Greg Tobin
Self Employed Design Engineer

how do we work?

We work in a simple, straight forward way. You are assigned your own personal adviser who will work with you one-to-one for up to 12 months. Think of it of having your own personal finance coach! You can meet with your adviser as often as you need within the year until you are 100% happy with your finances.

why work with us?

We're a team of friendly, qualified financial advisers and tax professionals with personality. We really do care about our clients and know that the quality of the work we do impacts on your life.

We work for you on a project basis so no hourly fees apply and we offer you a **100% money back guarantee**. If you are not entirely happy with our service we'll give you your money back, no questions asked.

what can we do for you?

Aside from our financial planning & tax services, we work with you on any single area of concern to you right now. Whatever area of your finances is on your mind, we can help.
